KARIBU

Welcome to Salt

we don't do "FAST FOOD"

We do good food as fast as we can.

Before the world stirs and dawn hits the Indian Ocean we are up and baking. All of our cakes, breads, pies and desserts including our gluten free items are made here daily with plenty of love (and a large amount of butter)

We don't use artificial colourings or flavourings in anything

We also make our own jams, sauces and dressings from scratch using only the best quality ingredients.

We source our salads, veggies, fruits and mushrooms from the lovely Farmers at Masifio in southern Tanzania, Mwamy in Mbezi Beach and East Africa Fruits company, based in Dar-es-Salaam.

Mawio delivers beautiful fresh, free range eggs to us and our wonderful coffee comes from the Utengule coffee estate in Southern Tanzania

– we proudly support Tanzanian farmers and producers
